

# Directions to Lappi Farm

Please print off or screen capture and bring these directions with you as many GPS maps are incorrect & mobile service can also be limited. If you follow these directions, you will have no issue finding us.

## Handy tips

- Reset your tripmeter at the start point and again at each step – distances on country roads can be deceptive
- Be aware of animals on the roads especially at night.
- Do not proceed past any road closed signs or deep water. Conditions can change very quickly in the Mountains.
- If you are travelling through Dalgety **do not** access Rockwell Road from Dalgety Road even if your GPS says to go that way. The causeway there is often very deep and has claimed many cars, follow **Option 2** instead.

## **Option 1: via Rockwell Rd, Berridale (Travelling from Sydney/Canberra/Cooma/Jindabyne via Berridale)**

4. Travel for 1.1km and a waterway will be in front of you.
5. Follow the road to the left as marked by guideposts, this will bring you back around the waterway to the right and through a natural causeway. **Welcome! You have arrived.** Continue past our Lappi Farm sign on the left and onto our driveway with white post & rail fencing.
